Billy Graham

If there ever was a household name in the field of American evangelist, William Franklin Graham, "Billy," would be the one appearing at the top of the list. Converted at age sixteen, providentially, during a revival meeting led by Mordecai Fowler Ham, Graham went on to emerge as a major voice for Christ in the 20<sup>th</sup> century.

Graham's telling impact as a spokesperson for the Lord was extraordinary. It has been estimated that Graham declared the gospel to live audiences numbering more than 215 million people in 185 countries and territories with more than 2.5 million coming forward to accept Christ as their personal Savior. As of 2008, Billy's lifetime audience, including radio and television broadcasts, topped 2.2 billion adherents.

Through the Billy Graham Evangelistic Association, Graham extended the reach of the gospel via the weekly "hour of Decision" radio broadcast, the syndicated newspaper column -- "My Answer," the publication of Decision Magazine, and a media enterprise -- World Wide Pictures.

Notably and uniquely Billy spent personal time with twelve Presidents of the United States, dating back to Harry S. Truman. Between 1950 and 1990 he consistently appeared on Gallup's list of admired people for the 20<sup>th</sup> Century. Billy's significant contributions were recognized by his being awarded the Congressional Gold Medal and the Templeton Foundation Prize for Progress in Religion.

Married to his Wheaton College classmate Ruth Bell whose parents were Southern Presbyterian missionaries in China, they were blessed with three daughters (including Anne Graham Lots, Christian author and speaker), two sons (including Franklin Graham, who now leads BGEA), 19 grandchildren and numerous great-grandchildren.

Sidelined at 92, by Parkinson's disease, Graham still bears witness through many literary and media contributions. Liberty Library shelves contain most of Graham's works: Peace with God (1953), The Secret of Happiness (1955), Angels: God's Secret Agents (1975), How to Be Born Again (1977), The Holy Spirit: Activating God's Power in Your Live (1980), Till Armageddon: A Perspective on Suffering (1981), Armageddon Hoofbeats: The Four Horsemen of the Apocalypse (1983), Facing Death and the Life After (1987), Answers to Life's Problems (1988), Hope for the Troubled Heart (1991), Storm Warning (1992), Just As I Am (1997), Journey: How to Live by Faith in an Uncertain World (2006), This Christmas Night (2007)

A special collection of music honoring by Bill and Gloria Gather entitled A Billy Graham Music Homecoming (Volumes 1 & 2 VHS) is available with 42 favorites guarantee to ignite praise and worship are also available in the Liberty Library.

Should you have an interest in the reflections on Graham's various crusades the following volumes in Liberty's Library warrant consideration: Billy Graham in the Soviet Union (1985), Billy Graham in China (1988), Living in God's Love: the New York Crusade (2005), and God in the Garden (2005).

Odds and ends on the shelves about Billy include subjects such as soul winning (The Billy Graham Christian Worker's Handbook, 1984), humor (Baseball, buffets and a barrel of laughs -- Swanberg), stories Graham's grand's (Invitation -- CDs -- 2008), collections (The Book of Jesus -- 1996), leadership (Leading with Billy Graham, 2005), and children biography (Hero Tales -- Vol. 3 -- 1998).

Finally, several works delve more deeply into Graham's life story for those interested in what manner of man was this. They are Profile of Revival Leaders (1976), Billy Graham: The Great Evangelist (1996), Billy: A Personal Look at Billy Graham (1997), The Billy Graham Story (2003), and Billy: The Early Years of Billy Graham (2010).

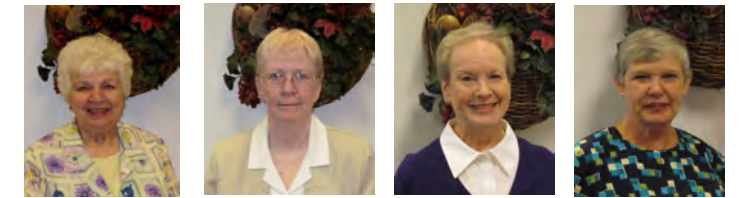

Oh, don't forget the CD, DVDs on the Corrie Ten Boom story, The Hiding Place, produced by the BGEA.

It is evident from this wide array of works, on and about Billy Graham, that Liberty Library is the place to go for information on one America's greatest evangelist.
